TigerU!

In the Multipurpose Room

Tiger University (TigerU!) is a family empowerment initiative at Waterview Elementary designed to answer the call from parents and guardians for more transparent communication, accessible resources, and practical ways to support student learning at home.

- **Empower Parents & Guardians** – Hear directly from our school and division specialists on best practices and practical strategies to support learning at home in reading, math, science, and social studies.
- **Explore ENCORE** – Learn about Art, Music, Physical Education, and Library/Media programs.
- **Stay Connected** – Clear communication tools and resources to keep families informed.
- **Get Involved** – Explore opportunities with PTA, Lunch Bunch Volunteers, and school events that fit your busy schedule.
- **Meet Our Family Engagement Liaison** – Learn about the services, supports, and resources available to help families thrive.
- **Community in Schools Partnership** – Discover how this national organization connects families with a wealth of resources and wraparound supports.
- **Meet the Administrative Team** – We are new to Waterview, but not to Portsmouth! Meet us in person and learn how we're ready to serve our students, families, and community.
